

CPs of the Year 2020

SNOW REMOVAL CONTRACTOR

MTH Lawn Mowing Service LLC Kalamazoo, Michigan

MTH Lawn Mowing Service LLC, based in Kalamazoo, Michigan, started in 2008 and is a company that prides itself on the details that others overlook. Hard work and dedication to customers has provided the company the opportunity to expand. Staying the course, along with being laser-focused on the job at hand has been crucial to their success. *Nominated by Matt Cox.*

MJK Solutions, LLC Poughkeepsie, New York

MJK Solutions, LLC is a new and thriving exterior cleaning business. The company aims to uphold its professionalism and is focused on customer satisfaction. The owners have over 30 years of professional experience in landscaping and property maintenance. "Working with DENTCO has been very easy and a worry-free experience." *Nominated by Scott Hoeflich*

Premier Outdoor Services, LLC East Amherst, New York

Premier Outdoor Services, LLC is a landscaping and property maintenance company servicing Western New York. With over 30 years of experience, they pride themselves in providing the highest quality property services. Providing property maintenance, clean-ups, new plantings and re-mulches, trimming and pruning, lawn care, snow plowing, salting, and general upkeep of the exterior grounds, they are thankful for every business opportunity. *Nominated by Brian Pogore.*

NW Development 3, LLC Helena, Montana

Nick Olson from NW Development 3, LLC is always on top of his sites and his company provides an outstanding level of customer service. DENTCO never has service issues at his locations. Nick is highly responsive and takes pride in his work, which shows on his sites. He does a nice job for DENTCO and we are happy to have him on board. *Nominated by Debbie Gleason.*

Danes Lawn Care and Landscaping, LLC Covington, Pennsylvania

Danes Lawn Care and Landscaping, LLC, Covington, PA, has been in business for 11 years servicing north central PA and southern NY. "I was having some trouble getting a customer serviced. I drove to the store and met the customer, listened to concerns, then went to several local stores. They all said "call Dane." I drove to his shop and met him. He was linked by the time I returned home, started servicing immediately and his paperwork was flawless." *Nominated by Cory O'Brien.*

Jons Lawn & Handyman Service Stewart, Iowa

Jons Lawn & Handyman Service located in Stewart, Iowa, has been in business for six years. They have met and exceeded service needs for DENTCO's customers during the 2019-2020 season by making sure they were all well taken care of during snow and ice events. DENTCO is looking forward to many more successful snow seasons together in the future where we can enjoy continued excellence from Jons Lawns & Handyman Services. *Nominated by Katy Moyer.*

All Parking Lot Services Chicago, Illinois

All Parking Lot Services did a phenomenal job handling over 30 sites in downtown Chicago for DENTCO. They worked with different types of customers and had great communication all season. Further, they were always willing to help on different work orders to make sure DENTCO customers were taken care of. Finally, they were on top of their paperwork making sure everything was timely and accurate. *Nominated by Ron Hart.*

The Grounds Crew, LLC Falmouth, Maine

The Grounds Crew, LLC, is comprised of a group of professionals with many years of experience in all phases of the construction, snow, and landscaping industry. Their collective pursuit of excellence is the key to their quality workmanship. "Clients understand how passionate we are about the work we create and respect the level of quality in which the jobs are done." *Nominated by Tom Platt.*

MD-Construction, LLC Aberdeen, South Dakota

MD-Construction, LLC is a small company that has been in business for 11 years, several of which have been working with DENTCO. "We have grown through changes with DENTCO and have always enjoyed the work we do for you. The support we receive is outstanding and very much appreciated. We hope to continue doing business with DENTCO into the future and support you where businesses have a need for our services." *Nominated by Brandon Pinnow.*

Kielco Services New Berlin, Wisconsin

Kielco Services is a 15-year-old family-owned and operated business. Jeff and his son perform landscape maintenance, lawn installations, hard scaping and snow plowing. Kielco Services doubled accounts from last year to this year and still managed all properties efficiently. Jeff and his team often went above spec to keep the customer happy and to retain business. *Nominated by Joel Veneble.*

DENTCO 1161 East Clark Road, Suite 124, DeWitt, MI 48820-8312
